

EACTA 2007 JUNE 13TH-16TH 2007 KRAKOW POLAND

WEDNESDAY, June 13th

- 14:00 **Opening Ceremony**
14:30 **Heparin-induced thrombocytopenia (HIT)**
Introduction. *D Royston (Harefield)*
Following cardiac surgery - when to suspect HIT. *A Koster (Berlin)*
HIT Ab+ patient and CPB – strategies. *G Boccara (Paris)*
When & how I treat suspected HIT patients. *A Vuylsteke (Cambridge)*
Managing the post cardiac surgery patient who develops ARF. *M Hiesmayr (Vienna)*
Concluding remarks. *J Levy (Atlanta)*
16.00 *Coffee break*
16.30 **Transfusions in cardiac surgery**
Bleeding disorders, point-of-care monitoring of coagulation and haemostasis in cardiac surgical patients. *A Kuittunen (Helsinki)*
Effect of a process driven blood loss reduction programme in cardiac surgery. *P. Rosseel (Breda)*
Transfusions and outcome in cardiac surgery. *J Levy (Atlanta)*
18.00 **Welcome Reception & Cocktail**

TOE Examination

Saturday, June 16th 14:00

EACTA/EAE Accreditation
Program

www.eacta.org

Thursday, June 14th

Hall 1

- 08.30 - 9.30 **Organ protection**
Organ protection by arteriogenesis. *W Schaper (Bad Nauheim)*
Ischaemic preconditioning in paediatric cardiac surgery.
I Malagon (Leiden)
Future of organ protection in Anaesthesiology.
W Schlack (Amsterdam)
09.30 - 10.30 General Assembly
10.30 - 11.00 Coffee break
11.00 -12.00 Free Oral Presentations 1
12.00 - 12.30 Impact of age on cardiovascular risk. *R Feneck (London)*
12.30 - 14.00 **Lunch Symposium: Blood transfusion and haemostasis in cardiac surgery:** *D Royston (Harefield), J Levy (Atlanta), WT McBride (Belfast) & S de Hert (Antwerp)*
14.00 - 15.30 Free Oral Presentation 3
15.30 - 16.00 Coffee break
16.00 -17.00 Free Oral Presentation 4
17.00 - 17.30 Thoracic epidural anaesthesia /analgesia and outcome.
H van Aken (Muenster)

Hall 2

- 08.30 - 09.30 **Thoracic panel**
E Cohen (New York), P Slinger (Toronto), J Gothard (London)
09.30 - 10.30 General Assembly (Hall 1)
10.30 - 11.00 Coffee break
11.00 - 12.00 Free Oral Presentations 2
12.00 - 12.30 Assist ventricular devices - from using short term ones for temporary support to long term ones *W Buhre (Utrecht)*
12.30 - 14.00 Lunch
14.00 - 15.30 Poster presentation 1
15.30 - 16.00 Coffee break
16.00 - 17.00 Free Oral Presentation 5
17.00 - 17.30 Meta-analysis in medicine
M Uhari (Oulu)

FRIDAY, June 15th

Hall 1

- 08.30 - 08.50 Does the choice of anaesthetic regimen affect outcome? *S De Hert (Antwerp)*
08.50 - 09.10 Impact of the anesthetic technique on outcome after heart surgery – epidural vs general *S-E Ricksten (Goteborg)*
09.10 - 10.30 Poster presentation 2
10.30 - 11.00 Coffee break
11.00 - 12.30 Free Oral presentations 6
12.30 – 14.00 **Lunch symposium: New drugs for major bleeding**
M Ranucci (Milan), R Gill (Southampton), C von Heymann (Berlin)
14.00 - 15.00 Free Oral Presentation 8
15.00 - 15.30 **CPB technologies I.** *WT Mc Bride (Belfast), M Ranucci (Milan)*
15.30 - 16.00 Coffee break
16.00 - 17.00 Free Oral Presentation 10
17.00 - 17.30 **CPB technologies II.** *L Vercaemst (Leuven), K Graves ()*

Hall 2

- 08.30 - 08.50 Levosimendan in cardiac surgery.
M Salmenpeera (Helsinki)
08.50 - 09.10 Thoracic anaesthesia – immunological aspects. *T Hachenberg (Magdeburg)*
09.10 - 10.30 Poster presentation 3
10.30 - 11.00 Coffee break
11.00 - 12.30 Free Oral presentations 7
12.30 - 14.00 Lunch
14.00 - 15.00 Free Oral Presentation 9
15.00 - 15.30 Advances in haemodynamic monitoring *D Payen (Paris)*
15.30 - 16.00 Coffee break
16.00 - 17.00 Free Oral Presentation 11
17.00 - 17.30 Anaesthesia for adult congenital heart disease.
P-G Chassot (Lausanne)

Saturday, June 16th

Hall 1

- 08.30 - 9.00 What is preload and how to monitor it – an update.
P Wouters (Leuven)
09.00 - 10.30 Free oral presentation 12
10.30 - 11.00 Coffee break
11.00 - 12.30 **TOE WORKSHOP** *J Kneeshaw (Cambridge) P Wouters (Leuven) F Guarracino (Pisa)*
12.30 **Closing Ceremony & Awards**

Hall 2

- 08.30 - 9.00 TOE - New technologies.
E Sloth (Aarhus)
09.00 - 10.30 Free oral presentation 13
10.30 - 11.00 Coffee break
11.00 - 12.30 **Hands on Thoracic Anaesthesia Workshop** *E Cohen (New York), G Della Rocca (Udine); J Gothard (London)*
